Cape Coast, Ghana

# Practical skills for young people, professionals, artisans and entrepreneurs.

## *Who we are*

REACO International Training Institute (RITI) is a skill-focused, practice-oriented professional and innovation training institute. We equip young people, professionals, artisans and entrepreneurs with globally competitive practical skills.

RITI is a modern TVET, STEM, infrastructure, energy and entrepreneurship training hub, established by REACO International to bridge the gap between education and industry.

## *What we do*

RITI works to close the large technical and vocational skills gap in Ghana and across Africa. We deliver world-class short courses, certificate programmes, professional diplomas and higher diplomas in the built environment, engineering, mining, energy and vocational sectors.

Through strategic partnerships, mobile trainings and industry-certified trainers, RITI is building a top-tier workforce development hub.

## *Our focus*

TVET

STEM

Infrastructure

Energy

Entrepreneurship

# What we stand for.

---

OUR VISION

To become Africa’s leading centre of excellence for skill-based training and technical education, shaping the future workforce.

---

OUR MISSION

To provide accessible, industry-relevant and globally competitive training that equips individuals with practical skills for employment, entrepreneurship and social development.

---

CORE VALUES

- |                         |                             |
|-------------------------|-----------------------------|
| 01 Professionalism      | 05 Industry collaboration   |
| 02 Innovation           | 06 Entrepreneurship         |

## Universities and partners we have worked with

University of Cape Coast · Cape Coast Technical University · Kumasi Technical University · Accra Technical University · Koforidua Technical University · IET Ghana · Architects Registration Council · LoGSEA · VIVA Fibreglass · DBS Industries.

# Learn. Get certified. Build your future.

Joining a course takes four steps. Most people are registered within a day of enquiring.

1

## Choose

Pick the course that matches your goals. Unsure? Tell us what you do and we will advise.

2

## Register

Use the registration link for that course, or call us and we will register you.

3

## Pay

Pay by Mobile Money to 053 8812915 (REACO International LBG), or as we advise.

4

## Get certified

Complete your course and leave with a RITI certificate.
